Principal's Notes:

Brrrr! December has arrived and so have cooler temperatures. It seems like yesterday we were just enjoying time outside in our shorts and t-shirts relaxing in the summer heat. November, October, and September seemed like they happened in a flash, but they were great months, and now we are all looking forward to the month of December.

IMPORTANT REMINDERS!

1. We are planning to have the Elementary Christmas Concert this year on Tuesday, December 17th. Please refer to the concert start times below. Miss DeYoung and the students are working hard on the songs.
 - A. 6:15 pm - Kindergarten - 2nd Grades **(Students should report to their classrooms between 5:45 and 6:00 pm)**
 - B. 7:30 pm - 3rd - 5th Grades - **(Students should report to their classrooms between 7:00 and 7:15 pm)**
2. With temperatures falling and the possibility of snow, please help and remind your child to **pack boots, snow pants, hats, and gloves** so they stay warm outside for recess.
3. Please remember to turn in any doctor notes for the times your child had appointments during school.
4. Use information from your child's report card to drive conversations with your child. Parents can also reach out and ask their child's teacher how they can support their child at home.
5. **Parent Volunteers** - If you are interested in volunteering in your child's classroom, please reach out to the teacher regarding your interest in volunteering and the item(s) you need to complete before coming in to volunteer.

Lastly, parents, based on their grade in school, please continue to encourage your child to work on a skill(s) at home they are also working on in class: letter recognition and sounds, reading sight words or reading a short story or book outside of school on a daily basis. Research has shown that reading outside of school helps with student achievement, improves reading performance, creates independent readers, and it also builds additional knowledge in students. Parents, please set a reading routine with your child outside of school. We also encourage parents to listen to their child read aloud. Below are a few ways/ideas for students to read outside of school and aloud to others.

1. Students can read to a sibling or parent at home.
2. Call a grandparent and read a story to them over the phone.
3. A student can listen to their parents or siblings read a story to them. This is a great opportunity for parents and siblings to ask questions about the story they just read.

Lastly, thank you parents for your efforts! I hope everyone has a great December!!

Happy Holidays and Go Orioles!

Stanley-Boyd Elementary Pick up/Drop off Procedures

If there is a change that needs to be made from a student's normal routine:

- A note must be sent to school **the day prior to the change**. This is to allow for ample time to inform the teacher and bus driver. Although we know that there are times when **emergencies** arise, routinely calling into school to make changes during the day makes it very difficult for us to insure that your student, the teacher, and the bus driver are notified of the change.

- If an **EMERGENCY** arises:

***Early morning emergency changes for the bus notification prior to 6:45am should be called into the bus garage (644-5810 ext 233).**

***Day of emergency changes should be called into the elementary office (644-5810, press 3).**

Your help with this is very important and greatly appreciated!

TRANSPORTATION (Administrative Rule: Student Busing) Approved: July 24, 2023

ADMINISTRATIVE RULE SECTION: 400 Stanley-Boyd Area School District STUDENTS Stanley, WI 54768 STUDENT BUSING
Students eligible for transportation services will be assigned one pick-up and one drop-off point before the beginning of the school year or after a change in the primary residence. If a student enrolls during the school year, then the pick-up and drop-off points will be assigned at that time. An alternate pick-up or drop-off point may be established each trimester. This alternate point must be consistent week to week. (i.e. Student goes home every Monday, Tuesday, and Thursday and goes to daycare every Wednesday and Friday.) Any deviation from this schedule becomes the parent's responsibility to provide transportation. Any parent or guardian requesting a change to the transportation plan must meet with the Transportation Supervisor or his designee before the request will be honored. Requests will only be honored for extenuating circumstances. A maximum of three requests may be granted each year. Families requesting one-time transportation on a bus the student does not normally ride must submit the request to the Transportation Supervisor or his designee before the request will be honored. The request must be made in writing and at least three days before the requested date. Decisions will be based on the capacity of the bus and the projected ridership on the requested day.

In Need of Pants Donations

The Elementary is in need of extra **pants** for Elementary students. Athletic type pants are preferred as they have more flexibility but we will take jeans also. (At this time we do not need shirts.) **THANK YOU!**

Winter Break

No School

December 23rd~January 1st
School Resumes~ January 2nd

From Mrs. Ceranski's Counseling Office-

Skill this Month: Managing Big Feelings

December can bring lots of excitement—and sometimes stress. In my Guidance lessons, students are learning:

- **"Feelings Check-in":** Naming emotions (happy, frustrated, excited) to understand and manage them.
- **Stop, Breathe, Think:** Taking a moment to pause before reacting.
- **Being kind to others:** Think Win-Win with others. Lead with kindness every day.

Family Tip: Create a quiet "calm-down space" at home for when kids need a break. Add pillows, books, or coloring supplies for a relaxing, calm-down corner.

Winter Break Well-Being

The holiday break is a chance to rest and recharge. Here are ways to support your child's emotional health:

- **Keep routines** to maintain structure.
- **Enjoy family time** with shared activities like baking, crafts, or reading holiday stories.
- **Practice gratitude:** Share what you're thankful for as a family.

Need Support? Mrs. Ceranski is here for you!

If you have concerns about your child's emotional well-being, feel free to reach out. Let's make this season a joyful and meaningful time.

The DECEMBER 2024 MUSIC NOTES

with Ms. DeYoung

The Christmas concert Q&A has been sent home! If you have any questions, or your child is unable to attend the concert due to an illness or family emergency, please notify Ms. DeYoung as soon as possible.

ELEMENTARY CHRISTMAS Concert

Date: Tuesday, December 17th

Location: SB High School Gymnasium
(K-2): Concert at 6:15PM, arrive at 5:45PM
(3-5): Concert at 7:30PM arrive at 7:00PM

AT THE END OF THE CONCERT, STUDENTS WILL GO BACK TO THEIR CLASSROOM TO BE PICKED UP.

All performers should wear their finest attire—think “Sunday Best”! Please avoid sweatpants and t-shirts. We recommend that your child tries on their outfit beforehand to ensure it’s both comfortable and suitable for any movements their song may involve. This way, they can shine both in style and performance!

Both concerts will be live streamed on the Stanley-Boyd Area School District YouTube channel!

For those who have children in both programs, please have your older child/children sit in the audience with you to enjoy the younger students' program and vice versa while the older students perform during their respective program.

WCDA Singing in Wisconsin!

We are proud to announce that selected fourth and fifth graders attended the WCDA Singing in Wisconsin Festival at UW-River Falls this past November! This one-day choral event, open to students in grades 4 through 12, brought together talented young singers from across the state. Participants had the opportunity to work with a guest conductor, learning and performing a wonderful selection of music. Congratulations to all the students for a successful and inspiring day of singing!

NOTE FOR 4TH AND 5TH GRADE FAMILIES:

After the Christmas concert, students will be bringing their recorders home. Please remember to return them in March for our Recorder Karate unit!

To clean the recorders, avoid using the dishwasher, as it can cause them to melt. Instead, wash them with hot water and dish soap, and let them air dry.

COLD and SNOWY WEATHER is in the FORECAST

Snow and cold temperatures are inevitable in Wisconsin. For the safety of our students, We ask that parents dress their children with the proper winter outdoor gear each day. Even an extra set of pants, underwear, & socks in their backpack would be helpful for days they may accidentally get wet.

Checklist for necessary warm outdoor winter gear for recess:

- ▶ **Winter Coat**
- ▶ **Heavy Winter Gloves**
- ▶ **Snow Boots**
- ▶ **Stocking Hat**
- ▶ **Snow Pants**

Our outside recess protocol for elementary students is as follows~

Children will remain indoors when:

- 1- Temperature is below zero;
- 2- The wind chill is lower than -10 degrees;
- 3- Administration and playground staff determine conditions are unsafe.

DOES YOUR FAMILY NEED ASSISTANCE WITH WINTER GEAR? Please contact Mrs. Ceranski if your family needs assistance with winter coats, hats, gloves, and snow pants. We have a collection of gently used and some new items that the school may be able to donate to your family.

HAVE NEW/GENTLY USED WINTER GEAR TO DONATE? The elementary is accepting donations of winter gear to help families that are in need of assistance. We would appreciate only winter gear that would fit Elementary aged students. Thank You!
