*"Where all Students Learn at a High Level!"*

*"Where all students learn at a high level."*

**Principal's Notes:**

Wow, I can't believe that we are already turning our calendars to October! Our days in September flew by. It feels like we just started school yesterday!!

As we welcome October, I want to take a moment to highlight a few items. First off, Parent-Teacher Conferences are right around the corner and scheduled for October 23 from 4:30-7:30 pm and October 25 from 12:00 - 3:30 pm. Parents are able to attend conferences in person. Please contact your child's teacher if you would prefer to meet virtually for the conference. Your child's teacher will contact you to schedule a conference with you and to discuss your preference for meeting. Just a quick reminder for parents, there is no school for students on Friday, October 25 since conferences are scheduled for the afternoon.

**A couple other reminders for parents:**

1. Student drop off may begin at 7:45 am when our doors are opened. All students will report directly to their classroom after they enter the building.
2. Please remember to contact the office if your child will be gone for the day.

Another important event occurring during October is Bus Safety Week. It's something for all of us to take some time out of our busy schedules to thank our bus drivers for their hard work. Also, it's important to review with our students how to properly wait for the bus, get on the bus, and sit on the bus on their way to school. Our bus drivers have a significant job everyday as they ensure that students arrive safely to and from school.

Reading, working on letter recognition and sounds, and math facts outside of school is very important to a student's academic growth and success! Parents, please set a routine with your child outside of school to work on some of these areas. With this time, it also helps students if they use part of the time to read or say their items aloud to a parent or older sibling at home. This gives parents or an older sibling opportunities to also ask questions as they work together.

Thank you parents for your time and assistance. I hope everyone has a spooktacular October!

Go Orioles!

## **As we start the new school year, please keep a few things in mind:**

**\*\*Students should not arrive at school prior to 7:45 a.m. Doors do not open before 7:45am. If a student in 2nd-5th grade is eating breakfast at school, they should drop off their belongings in the classroom, pick-up their key card, and then head directly to the middle school lunch room to grab their breakfast. If a student is not having breakfast at school, they should go directly to their classroom upon arrival. For students in grades Kindergarten-1st, students should report to their classroom first. They will go up with the teacher as a group.**

**\*\*Any student arriving to class after 8:15am is considered Tardy. All children who are tardy are to report to the office to obtain a Hall Pass before going to the classroom. A written excuse or phone call to verify tardiness is required at the time your child enters the building.**

**\*\*Doors are locked at 8:15am and students are released from school at 3:25pm. Wednesdays are an early release with students released at 2:25pm.**

**\*\*Attendance: Be sure to call the school by 9:00am on the morning of an unplanned absence. Our attendance line can be reached at: 715-644-5810 ext. 9. If you know of an upcoming absence, please send a note to school with your child in advance.**

# OCTOBER SPIRIT DAY!

Spirit Day will be held the **1st FRIDAY** of every month. Students must wear Oriole gear or orange & black together to qualify. The classroom with the most Spirit gear wins the Ollie Traveling Trophy for the month! This month's first Friday is Friday, October 4th!

## The **OCTOBER 2024** **MUSIC NOTES** with Ms. DeYoung

Welcome back to another exciting year of music at Stanley Boyd!

Throughout the year, your student will have the opportunity to explore different genres, learn about music theory, and discover their own musical talents. We will delve into the rich tapestry of musical history and culture, from classical masterpieces to contemporary sounds, allowing students to appreciate the diversity and beauty of music from around the world.

In our music classes, students will not only learn to play instruments and sing but also develop crucial life skills such as teamwork, perseverance, and self-expression. These skills are invaluable and will benefit them in all areas of their lives.

LET'S MAKE THIS YEAR'S MUSICAL JOURNEY ONE TO REMEMBER!

## Pick up/Drop off Procedures

If there is a change that needs to be made from a student's normal routine:

- A note must be sent to school **the day prior to the change**. This is to allow for ample time to inform the teacher and bus driver. Although we know that there are times when **emergencies** arise, routinely calling into school to make changes during the day makes it very difficult for us to insure that your student, the teacher, and the bus driver are notified of the change.
- If an **EMERGENCY** arises:
  - \***Early morning emergency changes for the bus notification prior to 6:45am should be called into the bus garage (644-5810 ext 233).**
  - \***Day of emergency changes should be called into the elementary office (644-5810, press 3).**

Your help with this is very important and greatly appreciated!

**TRANSPORTATION (Administrative Rule: Student Busing)** Approved: July 24, 2023

ADMINISTRATIVE RULE SECTION: 400 Stanley-Boyd Area School District STUDENTS Stanley, WI 54768 STUDENT BUSING

Students eligible for transportation services will be assigned one pick-up and one drop-off point before the beginning of the school year or after a change in the primary residence. If a student enrolls during the school year, then the pick-up and drop-off points will be assigned at that time. An alternate pick-up or drop-off point may be established each trimester. This alternate point must be consistent week to week. (i.e. Student goes home every Monday, Tuesday, and Thursday and goes to daycare every Wednesday and Friday.) Any deviation from this schedule becomes the parent's responsibility to provide transportation. Any parent or guardian requesting a change to the transportation plan must meet with the Transportation Supervisor or his designee before the request will be honored. Requests will only be honored for extenuating circumstances. A maximum of three requests may be granted each year. Families requesting one-time transportation on a bus the student does not normally ride must submit the request to the Transportation Supervisor or his designee before the request will be honored. The request must be made in writing and at least three days before the requested date. Decisions will be based on the capacity of the bus and the projected ridership on the requested day.

Summary of Changes to Wisconsin 2024-2025 School Immunization Requirements  
for Local Health Departments, Schools, and Health Care Providers

The following information is to assist vaccinators, schools, and health partners with understanding the changes to DHS 144, the state law covering school vaccine entry requirements. The purpose of these changes is to bring Wisconsin closer in line to the [Advisory Committee on Immunization Practices nationwide recommendations](#) and in line with neighboring states' school requirements. Wisconsin state statute continues to permit waivers to vaccination for reasons of health, religious, or personal conviction.

Further information about school reporting requirements can be found on the [Wisconsin Department of Health Services](#) website.

# The Leaves are Changing...

And the cooler temperatures are knocking on our doors. We ask that parents watch the weather each day to dress their children appropriately for school. Mother Nature can be very unpredictable here in Wisconsin so sending your child to school with the proper outdoor gear is necessary. Now is a good time to start taking inventory on all your children's outside winter clothing. Before we know it the snowflakes will start to fall!

## Outside recess protocol for elementary students

Children will remain indoors if:

- 1- Temperature is below zero;
- 2- The wind chill is lower than -10 degrees;
- 3- Administration and playground staff determine conditions are unsafe.

# School Bus Safety Week

Oct. 21st-25th, 2024

**LEARN THE  
FACTS**  
**PLAY IT SAFE**  
[schoolbusfacts.com](http://schoolbusfacts.com)

## KEEPING CHILDREN SAFE IN AND AROUND THE SCHOOL BUS

While the school bus is the safest way to travel to and from school, children still need to be careful as they get on and off the bus. Obstructed views and distracted drivers put children at risk. It's important that parents teach them ways they can stay safe in and around the school bus.

- Show children how and when to stay at a safe distance.
- Younger children should be supervised at the bus stop.
- Children who rush are particularly vulnerable, so make sure to get to the bus stop early.
- Show children how to stay three giant steps away from the road until the school bus comes to a complete stop and the door opens.
- Children should never walk behind the school bus.
- Children who cross in front of the school bus should stay at least five giant steps (10 feet) away from it and make sure that the bus driver sees them before they step off the curb.
- Teach children to wait until no cars are coming from either direction before they cross the street.
- Make eye contact with the driver and wait for the OK signal to cross the road.
- Explain to children why conversations and play time should wait until they are safely seated, or safely away from the school bus.
- Children should use handrails when getting on and off the school bus and secure any loose or hanging objects, like straps or drawstrings.
- If a child drops something outside the school bus, tell them to NEVER try to pick it up. They should always tell the driver and wait for his or her instructions.

---

*It's estimated that over  
10 million drivers illegally pass  
school buses every year.*

---

- Children should not yell while riding the school bus. The bus driver needs to be able to hear other vehicles on the road.
- Share information about how to help keep children safe, in and around the school bus, from [schoolbusfacts.com](http://schoolbusfacts.com)

# Fire Prevention Week October 6th-12th, 2024

**FIRE  
PREVENTION  
WEEK™**

## Fire won't wait. Plan your escape.™

### The \_\_\_\_\_ Family's **Home Safety Action Plan**

#### **ACTION #1**

**Make the first Saturday of each month "Smoke Alarm Saturday"!**

A working smoke alarm will clue you in that there is a fire and you need to escape. Fire moves fast. You and your family could have only minutes to get out safely once the smoke alarm sounds.

- Smoke alarms should be installed in every sleeping room, outside each sleeping area, and on every level of the home, including the basement.
- Test all of your smoke alarms by pushing the test button. If it makes a loud beep, beep, beep sound, you know it's working. If there is no sound or the sound is low, it's time to replace the battery. If the smoke alarm is older than 10 years old, you need to replace the whole unit.
- If your smoke alarm makes a "chirp," that means it needs a new battery. Change the battery right away.
- Make sure everyone in the home knows the sound of the alarm and what to do when it sounds. (See ACTION #2.)

#### **ACTION #2**

**Develop a home fire escape plan and practice it at least twice a year!**

Having a home fire escape plan will make sure everyone knows what to do when the smoke alarm sounds so they can get out safely.

- Draw a map of your home, marking two ways out of each room, including windows and doors.
- Children, older adults, and people with disabilities may need assistance to wake up and get out. Make sure they are part of the plan.
- Make sure all escape routes are clear and that doors and windows open easily.
- Pick an outside meeting place (something permanent like a neighbor's house, a light post, mailbox, or stop sign) that is a safe distance in front of your home where everyone can meet.
- Everyone in the home should know the fire department's emergency number and how to call once they are safely outside.
- Practice! Practice! Practice! Practice day and nighttime home fire drills. Share your home escape plans with overnight guests.

#### **REMEMBER:**

**When You Hear a Beep, Get On Your Feet!**

Get out and stay out. Call 9-1-1 from your outside meeting place.

**Hear a Chirp, Make a Change!**

A chirping alarm needs attention. Replace the batteries or the entire alarm if it is older than 10 years old. If you don't remember how old it is, replace it.

# EARN CASH FOR SCHOOLS WITH BOX TOPS

TOGETHER, WE CAN MAKE A BIG DIFFERENCE

For over 25 years, Box Tops for Education has given families an easy way to earn for schools with products they already buy. Today, you can find hundreds of participating products throughout the store — and all you need is the Box Tops app.

## HERE'S HOW IT WORKS:

**SCAN**  
qualifying receipts  
in the app

**SUBMIT**  
qualifying digital  
receipts in the app

**CONNECT**  
your Walmart and  
Box Tops accounts

### ONLINE SHOPPERS CAN EARN WITH BOX TOPS, TOO!

Whether you order groceries for delivery or pickup, shop through your store's app, request an email receipt at checkout or shop with your Walmart connected account, you can earn for your school no matter where you shop.

## Weekend Kids' Meals (WKM)

Dear Parents/Guardians

We are pleased to announce the Stanley-Boyd Area Schools will once again be offering **Weekend Kids' Meals (WKM)**. This program is open to students in grades PK-12th grade.

There are no requirements to qualify. If you choose to enroll your child/children, they will receive a food bag on Fridays. The food is supplied at **NO COST** to your family.

### A few things to keep in mind:

- \*Children with food allergies should not be enrolled in the WKM program.
- \*By signing this form, you are recognizing that the Stanley-Boyd Area Schools are not responsible for any allergic reactions students may accidentally experience from food, if you choose to enroll in the program.
- \*No food delivery on days that school is canceled due to weather or other emergencies.
- \*Some WKM bags may be heavier due to the content of the WKM for that week.
- \*Opening WKM on the bus is not permitted.

If you have questions or concerns, contact:
